

Amsterdam, April 2011

Dear colleagues and business associates,

We would like to invite you to participate in the eighth annual Football Tournament organised for the financial industry, to be held in Abcoude, just outside of Amsterdam on Saturday 28 May 2011.

The tournament has proven to be very successful and lots of fun. This again will be an outdoor tournament with teams of 7 players competing on half-length football fields. Invited are members of the European exchanges, the exchanges itself, regulators and all other groups trading derivatives and equities.

We will have some minor changes this year. We are welcoming a new sponsor, Scrocca Option Trading and will therefore also have a new name; "The Financial Football Tournament". We also decided to reinstate a participation fee for the teams of 300 EUR per team, just like we had in the first five years.

What will be unchanged is the nature of the event. The event will be fully catered with drinks, lunch and a BBQ after the finals. To add to the inclusive spirit of this event, our invitation extends to non-playing colleagues and family members who can cheer from the sidelines. Also for those with parental duties: don't despair and bring the kids! During the day, there will be licensed on-site childcare facilities with friendly staff providing supervision and a clown for entertainment.

So, dust off your spikes, get a team or two in shape and make sure your company doesn't miss this hugely popular tournament. For those arriving from abroad, it is recommended to arrive in Amsterdam by Friday evening. The tournament kicks off around 9am and finishes around 5pm, leaving ample time to enjoy Amsterdam's exciting nightlife.

To register a team, please use our website www.brokerdealer.nl/sport where you also can find additional information.

Should you have any further queries or need any help with hotel arrangements, do not hesitate to contact the organizers (Ferry Boekholt at Bennington) at +31 650 644606 or fboekholt@bennington.nl. After your registration you will be kept informed about the organisation.

We are looking forward to seeing you on May 28th.

Kind regards,

Marco Inzerillo
